

To Whom it May Concern,

The Dakota Artists Guild (DAG) will be offering scholarships in 2024 to graduating high school seniors, planning to continue their education in the arts. This project is partially funded by a grant from the City of Rapid City through the Rapid City Arts Council. Our organization works to ignite a passion for the arts in the community's youth through various projects during the year.

High school seniors who are pursuing a major/minor in the arts or an arts related field are advised to apply. Please have students that are interested in this opportunity use the application and recommendation forms attached.

Digital Submission: Please email completed application, recommendation, & digital images of students' work to dakotaartistsguild@gmail.com.

Postal Service Submission: Please mail completed application, recommendation, & portfolio of students' work to the address below:

Our organization will review the submissions to determine which students will receive scholarships. Funds will be paid to the student's chosen institution during their starting semester. Students who are chosen will also receive the opportunity to showcase some of their artwork in the Rapid City community through DAG.

Please provide copies of these documents to your school's art department faculty, for distribution to potential & interested student candidates. This is an opportunity for students to get ahead on their journey towards a career in the arts.

Sincerely,

Zane Greff, DAG Secretary
