HIGH SCHOOL STUDENT DUAL ENROLLMENT APPLICATION
FOR STUDENTS

SOUTH DAKOTA BOARD of REGENTS

South Dakota's public universities offer high school students the chance to earn dual credits for their high school diploma and college degree.

ACCOUNT

- **First-Time Students:** If you've never taken a course through a SDBOR university before, you'll need to create a new account. First-time students will use a *personal* email address to set up their account. (This is due to firewalls that are often set up for K12 student emails.)
- **Continuing Students:** If you've previously taken a course through a SDBOR university, you do not need to set up an account. You will log in to your dashboard with your university-provided email and password. The dashboard is where you can send reminder notifications and change the email address for the parent/guardian or high school official.
