

## **SCHOLARSHIPS**

The Highlands Volunteer Fire Department Auxiliary was formed recently to supplement VFD the purchase of necessary equipment. Through an annual Sportsmans's Banquet, pancake feeds and other events, money is now raised for a more general purpose of community service. A Hunter Safety Course was fully funded by the Auxiliary. Also, recently approved scholarships for high school seniors will be granted up to \$500.00

### **Requirements:**

1. The student must be a senior in good standing at school and in the community.
2. They must have at least a 3.00 grade point average in school.
3. The student must plan on attending a trade school or college.
4. A 150-200 word essay telling the auxiliary about their future plans and how the scholarship will help fund their future education and what field of study they plan to pursue.

These scholarships will be awarded in the Loving Memory of Laura Ann Chord who was an active high school student. This scholarship fund will continue in her name as long as funding is available.

All applicants will be carefully considered. There will be many good applicants for these scholarships. Applicants should submit their applications their senior year before March 15 of each year.
